Semester 1 2017	3.19	Semester 11 2018	2.86

* A GPA of 4.30 is the highest grade; A GPA of <2.00 is a failing grade.

Ultimate Goal: My love for Modern Languages and Science has led me to pursue a career in French and medicine. I hope in 7 years to become a medical doctor who has knowledge of the francophone culture and who speaks fluent French. With this I can interact with others in the medical field from French Territories in the region and provide a bridge to expand the linkages in medicine with French countries.
